Monday 10th June	<ul style="list-style-type: none">• Queen's Birthday Public Holiday

Star of the Sea Catholic College acknowledges the Leterremairener people as the traditional custodians of the land on which our school stands.

Religious Education and Faith Development

Heart

Spirituality

Attentiveness

Hospitality

Every year on 5 June over 100 countries observe World Environment Day. The theme for 2019 is 'Air Pollution.' In a world where only 12% of cities have air quality that meets the World Health Organisation standards we are truly blessed to live in this wonderful state and we have a responsibility to care for our environment.

In celebrating World Environment Day, we are reminded of Pope Francis' encyclical, Laudato Si, "On the Care of Our Common Home." Pope Francis calls us to remember that we must not abuse or take for granted this beautiful earth that God has gifted us. We are all called to care for the earth and to challenge those who abuse the earth's resources for their own self-serving purposes. We are also called to work towards tackling climate issues that affect the well being and health of our home and planet.

As Christians it is an important day to reflect on how we are living out the call to care for all creation and to consider our individual responsibility for living ethically. In this year's focus on reducing air pollution, as we breathe in God's pure love may it inspire our minds and hearts to live in harmony with this wondrous, blue, living planet.

As a Presentation family, we have a responsibility to question how we live and how it impacts on our living planet.

'Living ethically is knowing the difference between what you have a right to do and what is right to do.'

Potter Stewart

Stars of the Week - 30th May 2019

Kinder	Evie King	For being a good listener at mat times.
Prep/1	Ruby Davidson	For her consistent effort across all subject areas.
Grade 2/3	Lillian Mather	For working hard in all literacy areas, particularly spelling. Well done Lillian - keep it up.
Grade 4	Connor Williams	For trying his absolute best across all subject areas. Keep up the great work!
Grade 5/6 D	Blake Miller	For his amazing dedication to being in charge of his own learning during mathematical lessons. Well done!
Grade 5/6 W	Olivia Hockey	For showing pride in the presentation of her work and using feedback to improve her learning. Well done!

FAMILY AND SCHOOL WORKING TOGETHER

Be prepared to challenge your children's assumptions. Ask questions around them and why they think that way. Then come up with examples of how the opposite could be true. It is important for developing brains not to be stuck in the one mindset.

Welcome

We welcome William Claessens who is studying education at UTas and is doing one of his practical placements here at Star of the Sea. Mr Claessens is working in the 5/6 class with Mrs Davis. He will be here for the rest of term.

College Board

The College Board had it's AGM on Tuesday 21st May. The College Board for 2019 are: Mr Paul Thomas (Chair), Dr Mark Symes (Secretary), Mr Michael Doherty, Mrs Jacqui Leslie, Mrs Suzanne Painter, Mr Andrew Parkes, Fr Edward Zammit and Mr Richard Chapman. The Board meets every third Tuesday during term time.

Secondary Redevelopments

As you can probably tell it's full steam ahead with our secondary redevelopments. On Thursday we will move out of the library. We will operate a mini-library in the Primary campus so students can still have a library experience every Tuesday.

Also this week the kitchen in the hall will be lengthened. At this stage it shouldn't effect any classes.

TPSSA Cross Country

Congratulations to our Primary students who today participated in the TPSSA Cross Country at Beaconsfield.

Traffic Movements

It is a timely reminder that, while our staff car park is out of action and there are more cars parked out on the street, to be extra careful in the mornings and afternoons around the school. We request all parents to park, or stop, only in the appropriate zones.

School Photographs

School photo day is Monday 24th June. Please ensure that your child's photo envelope is returned to school before this date. Each student was issued with an envelope with their specific code on it and it is now possible for you to order and pay for your photographs on line. However the envelope **must** be returned to the school. If you would like to have a family photograph taken of your children, envelopes are available from the school office.

Shout Out Week 5 Term 2, 2019

Name	PBS	Reason
Tait Berlingeri	E	Doing such a great job at Mass.
Tommy Smith	E	Being a helpful class member.
Reagan Widdowson	E	Remaining focussed and on task during literacy work.
