

STRATEGIC PRIORITIES 2024-2027

Make Disciples of All

We will strive to:

Provide opportunities for our students to be involved in outreach to the community (AC)

Organise masses and prayer during school time that encourage the participation of youth and families (AC)

Develop a plan for the ongoing formation of staff (AC)

Excel in Learning for All

We will strive to:

Improve the physical environment of our school

Provide a range of different learning and teaching approaches for our students so that students are engaged in meaningful learning, including alternative programs

Seek ways to engage and inspire learning and participation of students throughout the school

Nurture Leadership for All

We will strive to:

Work with all of our community to build positive relationships with each other

Communicate constructively, both within the school and between school and home

Create more roles and opportunities for student leadership and teacher leadership throughout the school

Aboriginal and Torres Strait Islander Education

We will strive to:

Improve the school community's knowledge of Tasmanian Aboriginal history and culture through our *Aboriginal and Torres Strait Islander Education Plan*

Sustainability

We will strive to:

Implement sustainable practices within our school community
